The institution aims to empower the rural youth of villages in its vicinity. The institution engages the students in campaigns related to social awareness issues such as girl education, de-addiction, health and hygiene and campaigns against gender based violence, female foeticide etc. These activities are carried out by various cells of the college like N.S.S., N.C.C., Y..R.C. and University Outreach Programme in such a way that it becomes a part and parcel of the students' life and their mindscape.

Students also benefit from various capacity building and skills enhancement programmes which are organized from time to time. The programmes such as yog shivirs, martial art training, career counselling programmes ensures a sound foundational knowledge. Add-on courses are offered to students in the college campus which prepares them to take up various skill oriented jobs. The college provides ample opportunities for students interested in taking up sports as a career. They are provided with adequate infrastructural facilities and opportunity to get physical training and coaching as well. The college also runs the 'Earn While You Learn' scheme.
