

# **Sat Jinda Kalyana P.G. College, Kalanaur (Rohtak)**

## **Legal Literacy Cell**

Majority of rural people are unaware about their legal rights due to poor educational background. Also the students are not well versed with their rights and entitlements under the law. Many times the lack of legal awareness leads to exploitation and deprivation of rights and benefits.

With a view to make the students legally literate Haryana State Legal Service Authority in collaboration with Higher Education Department of Haryana started 'Legal Literacy Cells' in Government and Aided Colleges from the session 2008-2009.

**Motto: 'From Ignorance to Legal Empowerment'.**

Aims and Objectives of the Legal Literacy Cell of the college:

1. To make the students legally literate
2. To educate students about their rights, duties, benefits and laws
3. To empower girl students to fight against injustice in based on gender
4. To generate awareness among students about the free legal services provided by various agencies

The Legal Literacy Cell of our college organizes various activities and lectures from time to time to create legal awareness among students.

This cell has also conducted essay writing and slogan writing competitions on the themes related to legal literacy in order to develop and improve the personality of students. In the present scenario, the knowledge of various aspects of life is mandatory and hence in this direction, Legal Literacy Cell of the college is helpful.

**Extension Lecture organized by Legal Literacy Cell on 6.03.2019**
