Placement & Information Cell

The placement cell of the college plays a crucial role as the support providers which shape the students to a bright future. Training of students and arming of them with life and communication skills has become a significant concern from the last few years. It is observed that training is important for undergraduate students to develop the employability skills. Keeping in view, the present scenario of competition for employment, placement has become a challenging mission, Along with technical proficiency, overall personality development is also important. The college placement cell works with following objectives:-

- 1) To ensure that the students have information and skills necessary for an effective job search.
- 2) To conduct professional training programs outside the curriculum to provide better placements acts as a link between students, alumni and the workplace.
- 3) To promote career counseling by organizing guidance lectures.
- 4) To motivate students to develop technical knowledge and soft skills in terms of career planning.

Structure of Placement & Information Cell:

As per the guidelines of D.G.H.E, Panchkula, for the formation of Placement Cell in college campus Dr. Deepa Juneja has been appointed as placement officer & Dr. Poonam Adhlakha & Mr. Harish Chander has been appointed as member of this cell.

Focus Activities:

Placement & information cell has been organizing various extension lectures by inviting renowned resources persons from various academies such as Chanakya IAS Academy. They deliver lectures to students on various topics such as what to do after graduation? “How to Write Resume”? How to face interview? How to update portfolio on LinkedIn? Etc. Cell has been organizing various special career & personality grooming events from time to time in collaboration with other companies such as Gillette Guard etc. Students of S.J.K.College also get off campus employment opportunities after participating in Mega Job Fairs organized by Govt. Colleges, Rohtak & after getting training in various training programmes such as GRAVIT (Gramin Vikas Ke Liye Tarun) etc. in college campus.
