

SAT JINDA KALYANA COLLEGE, KALANAUR (ROHTAK)

Voter Awareness Cell

25th January is celebrated as “National Voters Day” in India. On this day, the Election Commission of India (ECI) creates awareness programmes about the electoral process through voting. Those who attain 18 years of age get eligible to cast their votes. To motivate the students for Voting and to aware them about their Voting rights, a Voter Awareness Cell is constituted in the College.

Aims and Objectives of Voter Awareness Cell:

1. To ensure maximum participation of youth in Voting.
2. To urge adults to participate in the Democratic process.
3. Electoral literacy in Schools, Colleges and Communities to promote electoral literacy in all age groups of the Indian citizens.
4. Generating discussions and awareness around the electoral process.
5. Be enthused for participating in election.

At present Dr. Sushma Sharma, Dr. Satish Narwal and Dr. Suman are the members of Voter Awareness Cell.
