### **Women Cell and Anti Sexual Harassment Cell**

Women Empowerment and Gender Equity are the most important requirements for the upliftment and progress of our nation. In the efforts to make S.J.K P.G. College a strong kernel of gender sensitization and make the college campus a safe place for women, 'Women and Anti Sexual Harassment Cell' has been established. It works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing various academic, cultural and social events for the upliftment of women and spread the real importance of gender equity in the society through college students.

#### **Objectives:**

- To stress upon the development of women in every sphere
- To create an environment that will help the women realize their full potential and to be self reliant
- To provide a neutral and supportive environment in the campus
- To provide counseling and support services in campus
- To ensure that students, staff and faculty are provided with current and comprehensive material on sexual harassment.
- To instill positive esteem in females students so that they can take the right decisions in their lives
- To spread awareness among the students about social, legal and constitutional rights of women in order to prevent the exploitation based on gender
- To provide a platform for girl students to share their experiences and views regarding their status in society
- To promote intellectual and cultural activities for overall development of personality of the students

The committee seeks to inform the campus community of their rights to a respectful work and learning environment. The cell aims at moulding and enlightening the young minds and paves their way to grow into balanced and better human beings.
