Appraisal Report for Coaching classes for Entry in Services

Coaching classes under this scheme were organized for eight months during the session 2016-2017, 2016-2017 and 2017-2018. These classes were organized in various subjects for Group-C and Group-D services. Name of the subjects, teachers and their subject disciplines are given below in Table-1. Total 73 students participated in this programme. Students who took coaching under this scheme did not bother to inform whether they appeared in the competitive exam or not. Information about their results could not be collected telephonically. Only two students reported us about their success in the exam. Many difficulties were faced in implementation of the scheme. Due to less remuneration, resource persons were not much interested to give lectures to rural college. It is requested that in future, remuneration to resource persons may please be increased.
