Policy Document on Environment & Save Energy

Environment and Save Energy policy of Sat Jinda Kalyana College, Kalanaur is to manage energy in such a way so as to minimize its impact on the environment. The architecture of the college allows for natural ventilation and lighting throughout its campus which helps conserve the energy demand and nearly eliminates the need for artificial lighting. The policy implies to explore the renewable energy resources to reduce the burden of the government and to find out substitute natural resources as solutions to the energy crisis.

The college has an official platform 'The Environment Club' which in collaboration with N.S.S.Units, Outreach team of the college and various other cells create awareness among students by organizing various activities like awareness rallies, tree plantation, slogan writing contests. Ozone day, Environmental day, Earth day are also celebrated to create awareness.

Policies

- To impart knowledge of Environment Science (EVS) to students of First Year of all faculties by delivering lectures in class rooms as a part of syllabi.
- To install solar panels for the generation of alternate source of energy.
- To install LED & CFL bulbs in the campus to save energy.
- To develop systematic waste management mechanism.
- To develop rain water harvesting unit.
- To undertake tree plantation drive.
- To take additional measures to continuously improve our energy consumption.
- To monitor and respond to emerging environmental and energy issues. To strengthen our employees' and students' environmental knowledge and skills in order to improve our own environmental performance.
- To provide information on energy saving measures through various awareness programmes.
- To follow the practice of giving out pots with saplings as souvenirs at various college events.
