KALANAUR (ROHTAK)**

**ANALYSIS REPORT  
OF  
STAKEHOLDERS' FEEDBACK ON  
CURRICULUM**

**SESSION: 2022-2023**

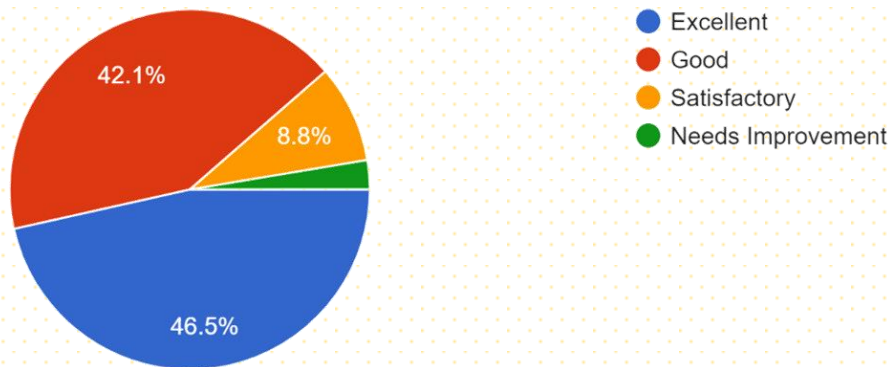

# STUDENT FEEDBACK REPORT

## (2022-2023)

### ❖ Parameter-wise Responses

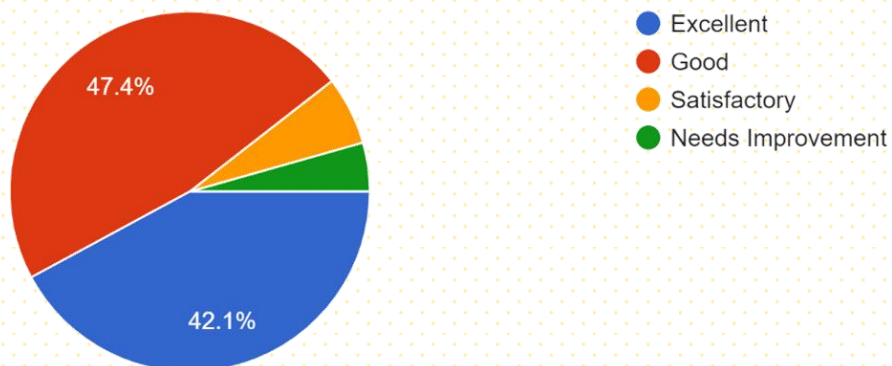

#### 1. Practical aspect of the syllabi

114 responses

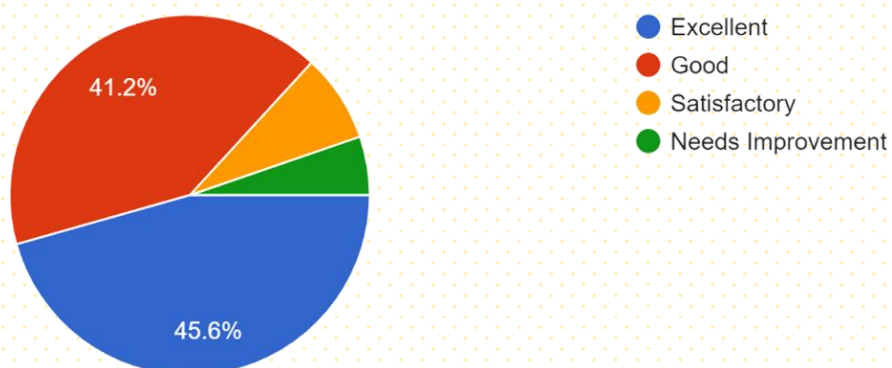

#### 2. Effectiveness of present syllabi in overall personality development

114 responses

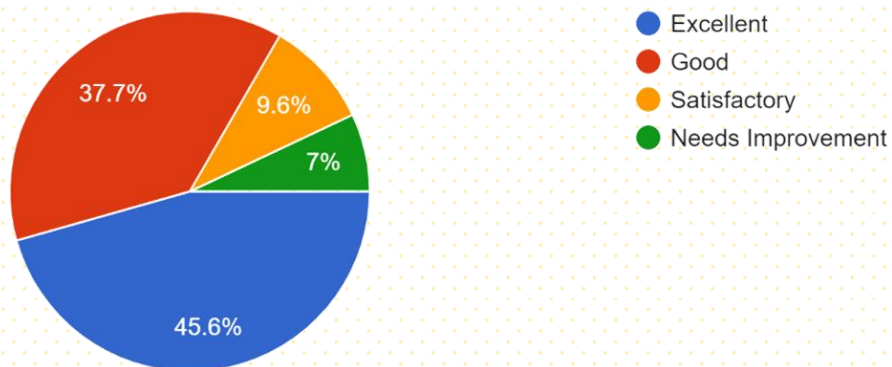

#### 3. Programme outcomes and course outcomes of the syllabi

114 responses

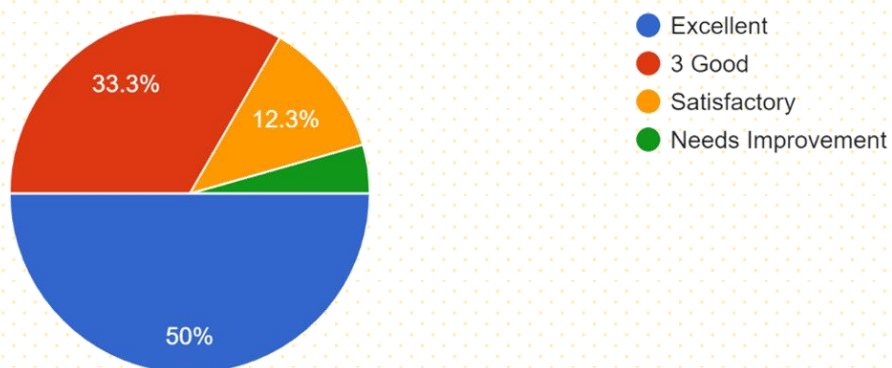

#### 4. Availability of text/reference books and e-resources in the college library

114 responses

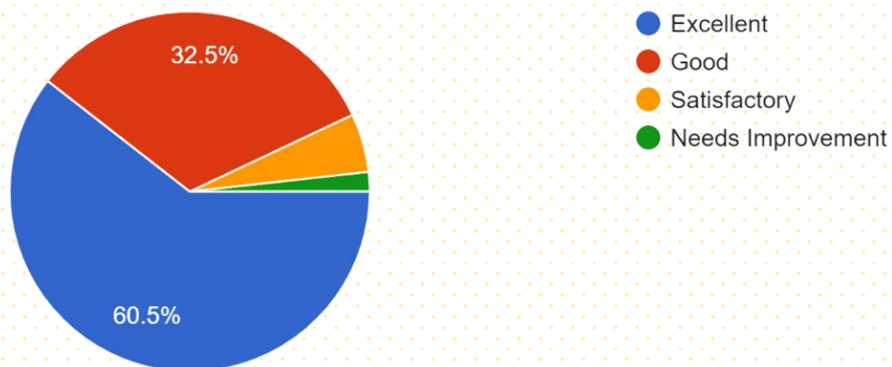

#### 5. Organization of co-curricular activities

114 responses

#### 6. Delivery of syllabi by teachers (overall rating)

114 responses

## ❖ Observations

- Although text/reference books and e-resources facilities were highly rated, yet there is a scope for improvement.
- More co-curricular activities should be organized.
- The respondents appreciated all other parameters.

## ❖ Suggestions by the Respondents

- There should be more smart classrooms in the college.
- There should be more focus on personality development and career counselling.
- Library facility should be enhanced by increasing the number of books and space for reading.
- The curriculum should have more focus on programming skills.
