### **ANALYSIS REPORT (Student Satisfaction Survey)**

During the session 2019-2020, Student Satisfaction Survey was conducted. 282 students participated in the survey and following observations are made on the basis of the received responses/suggestions:

1. The teaching-learning process is highly appreciated by the students. However, the process may be enriched by increasing the use of ICT tools.
2. PTM is organized annually in the college and may be organized more frequently in future.
3. Computer and other laboratories in the college are working in good condition but resources of Computer and other laboratories may be enhanced as per the contemporary needs.
4. College Canteen is providing healthy and hygienic food. However, overall quality of canteen facility may be improved.
5. The students creating indiscipline may be dealt more strictly in order to maintain the discipline of the college.
6. Library resources may be upgraded.
7. New subjects may be introduced in Bachelor of Arts.
